

PLAY SKILLS & PWS

We are looking for survey
study participants!

Help us learn about the play
skills of children with Prader-
Willi Syndrome.

We invite you to
participate if:

- You are at least 18 years of age
- You have a child with PWS
between the ages of 2 and 12
- You speak and read English
- You have access to the internet
and an internet connected
device

Please share this flyer with anyone you
know who may be interested in
participating in this study
